About this bike

2008 Suzuki GSX650F K8

Mot June 2027

11,100 miles

Hpi clear

Service history misplaced, but will come serviced for the new owners peace of mind.

A low mileage example, with clean bodywork good tyres and long MOT it comes in mostly stock condition with the exception of a fuel end can and a Puig Screen.

There are a couple of marks around the body and the paint on the wheels has started to flake as they tend to on this model (as pictured)
