About this bike

2001 Suzuki GSXR 600 Y SRAD

Just 9150 miles

12 months MOT

HPI Clear

Has some receipts/paperwork for the last few years but original paperwork/service book has been misplaced at some point, and Will come with serviced ready for the new owner.

A very low mileage example of a SRAD 600, it does have some bodywork imperfections as pictured so isn't one for collectors unless they want to put some work in to it, but it is still very presentable and a runs very well!
